## Bereavement List

*The Intercessory Prayer list is published so that **all of our members are actively praying**. Members (or their families), please contact any Deacon personally or by calling 515 775-7503 regarding illness, bereavement, benevolence, or serious issues. Deacons will reach out to pray, support, and get updates. No names are added without consent from the member/family and will remain on the list for 2 weeks. Deacons are here to support YOU. Please see any Deacon with questions or clarification.*
